COURTS CONVENE:

Circuit Court—First Monday in February, June and October.
Chancery Court—First Tuesday after fourth Monday in February and first Tuesday after first Monday in August.

Wednesday, Aug. 23, 1916.

Congressman McKellar has not yet accepted the challenge for a joint debate between himself and Ex-Gov. B. W. Hooper. Wonder why?

Jesse M. Littleton, mayor of Chattanooga, has issued a defy to those who threaten ouster proceedings against him and other city officers.

Jesse can well afford to do that, for every one understands that Chattanooga is a whiskey town just as well as they understand that Jesse is for whiskey himself. Couldn't oust 'em in Chattanooga.

The coming lecture by the Anti-Saloon League should and does present an opportunity for rural sections of the county getting such information as will insure improved conditions throughout the county as a whole, if those who are champions of law enforcement will turn out to the meeting, Sunday, September 3, and then put into practice heartily the methods presented that have proved effective elsewhere.

If the good people will unite and stand as firmly together as the lawless element does, there will not be a section of this county that will not be practically free from bootlegging and its attendant evils within a year. We know that to be true because it has been proven effective in Crossville, even when there was some division of the law enforcement people because it was hitting some of them in a tender spot by reaching near relatives. It takes courage and determination of the sternest sort and if the good people of the different communities are not willing to pay that price they will never be able to purchase what they claim they stand for.

United action, no squirming or dodging and a clean front at all times will do the work, but no other course will accomplish it in all its fullness. Are you willing to pay the price?

TEACHERS' MEETING

To be held at Woody Saturday, August 26, 1916.

Opening exercises.
Welcome address, Henry Woody.
Morals and Manners, Addie Henry and Mack Henry.
Starting Beginners, Edna Tanner.
First and Second Grade Work, Nola Hamby.
U. S. History, Grace Todd.
How to Teach Language Successfully, May Jones and Taylor Henry.
Teaching Agriculture in the Elementary Schools, Prof. J. S. Cline.
Noon—Basket Dinner.
Singing by the choir.

How to Keep the Schoolhouse Clean, Earl Baldwin.
Teaching Geography, Fred Hamby.
School Discipline, Carrie Shadden and Ollie Jones.

Physical Comforts of the Child, Hattie Brown and Eliza Norris.
Co operation in Community and School, discussion by patrons and teachers.

All teachers of the Second Division are expected to attend and all friends of education are cordially invited.

W. P. Baldwin, Chairman,
Second Division.

State of Ohio, City of Toledo,
Lucas County, ss.

Frank J. Cheney makes oath that he is senior partner of the firm of F. J. Cheney & Co., doing business in the City of Toledo, County and State aforesaid, and that said firm will pay the sum of ONE HUNDRED DOLLARS for each and every case of Catarrh that cannot be cured by the use of HALL'S CATARRH CURE. Sold by all druggists, 75c.
Hall's Family Pills for constipation.

FAMILY AVOIDS
SERIOUS SICKNESS

By Being Constantly Supplied With
Thedford's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whittaker, of this place, "with sick headache, and stomach trouble."

Ten years ago a friend told me to try Thedford's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught."

Thedford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

Your druggist sells and recommends Black-Draught. Price only 25c. Get a box soon to-day. N. C. 423

CLIFTY

School opened Monday with the largest attendance in years. We are fortunate in having the same faculty as last year: Prof. J. E. Brandon, principal, Miss Willie Officer, intermediate department, and Miss Sallie Hudgens in charge of the primary grades. Miss Mosele Reaves is in charge of the music department and has about fifteen pupils.

Miss Ida Wray Bell, of Crossville, the guest of Miss Marie Gott, was entertained Monday evening by Dr. and Mrs. Gott.

R. D. Holt was a member of Mrs. Gaines' house party at her home in Sparta last week.

Fred Burnett, of Crossville, was here Sunday, returning Monday.

Mr. and Mrs. McCormick entertained at dinner Thursday evening in honor of Miss Marie Gott and her visitor, Miss Ida Wray Bell, of Crossville.

John A. Myers, of McMinnville, a student at Georgia Tech, is the weekend guest of Mr. and Mrs. T. H. Moore.

Dr. and Mrs. Young entertained Friday evening in honor of Miss Ida Wray Bell. Progressive Rook was played until a late hour when delicious refreshments were served.

R. E. McCormick has returned from Chicago and Louisville, where he went to make fall purchases. Mr. McCormick was accompanied by Robert Young, who stopped over in Columbia on his return and is a guest in the home of Mrs. Edward Carmack.

The stove mill, a new industry for our town, is running regularly and has brought some good people here. There is not an empty house in Clifty, and it seems that more houses will have to be built if all parties who are seeking homes here are to be accommodated.

Mr. and Mrs. Arthur O'Neal, of Sparta, spent a few days last week with Mr. O'Neal's homelinks. He has sold his interests in Sparta and intends locating at Valparaiso, Ind., this fall.

Mrs. Goodrich, of Doyle, is visiting her sister, Mrs. Van Hastings.

Miss Nell O'Neal, who is teaching at DeRossett this fall, spent the weekend with homefolks, and had as her guests, Sunday dinner Misses Gott and Bell.

Misses Elizabeth and Virginia Moore have a flourishing school at Eastland, and from all reports are giving entire satisfaction to the patrons of the school.

Miss Elnora Rackley, who has been quite ill, is convalescent.

Misses Elizabeth and Virginia Moore entertained at dinner Saturday evening in honor of Miss Ida Wray Bell, of Crossville, and John A. Myers, of McMinnville. Others present were Misses Sallie Hudgens, Willie Officer and Marie Gott, and R. D. Holt.

Capt. C. W. Bell and little son Clifford, of Crossville, were guests of Dr. and Mrs. Young Sunday. Upon his return Sunday afternoon, he was accompanied by his daughter, Miss Ida Wray, who has been visiting Miss Marie Gott.

R. D. Holt is the week-end guest of friends in Crossville.

Mr. and Mrs. R. H. Lovejoy entertained with a porch party in honor of Miss Ida Wray Bell, of Crossville, and the returning teachers, Misses Sallie Hudgens, Willie Officer and Moselle Reaves. Mrs. Gott and Mrs. Young assisted Mrs. Lovejoy in receiving the twenty-five or thirty guests invited and little Miss Eula Lee McCormick presided at the punch-bowl. Progressive Rook was played, and the rooms were beautiful with vases of golden glow and clematis. The same color scheme of yellow and white was carried out in the ices which were served at a late hour.

Clifty expects to be represented at the fair in Crossville this fall and we are all looking forward to our visit. We have neglected, to some extent, our farming interests on account of an unprecedented run this summer. The mines have not been shut down but two days this summer; July Fourth and

Good Roads Day, August tenth. However, our crops are in fairly good shape, and we expect to show the good people of Crossville and Cumberland county, that our talk will be backed up by exhibits. Aug. 21. Clifty Spirit.

SOME SHELLS

Eighty-Eight Millions of Dollars in Shells
Placed With America Firms.

The Allies have ordered 400,000 shells from the Baldwin Locomotive Works, aggregate cost, \$15,000,000. They will be made up at the Eddystone plant. The American Locomotive Works recently got an order for \$15,000,000 worth of 8-inch shells. The American Car and Foundry Company has an order for \$18,000,000 worth of 9.2 inch shells. The American Brake Shoe Foundry Company for \$22,000,000 worth, and the American Steel Foundries have an order involving \$20,000,000.

It is believed that these orders come from the Russian government because a recent statement of Lloyd George was to the effect that England and France had worked their munitions plants up to a point where they were fully capable of meeting all requirements.

Larger caliber shells are now being ordered in this country because of their greater explosive power which enables the Allies to blast their way through concrete emplacements and redoubts against which the small caliber shells were ineffective.

In the face of these facts it would seem that munitions are having a very marked effect on the present prosperity of the country.

A WOMAN'S KINDLY ACT.

Mrs. G. H. Eyeland, Duncan Mills, Ill., writes: "I was stricken with lumbago, unable to turn in bed. A neighbor brought Foley Kidney Pills. She had been similarly afflicted and they cured her. I was cured by three bottles." If the kidneys do not function, lumbago, rheumatism, aches, pains, are apt to result. For sale by Reed & Burnett.

NOTICE TO TEACHERS

All teachers are urged to attend the Country Life Institute to be held in Crossville, Friday and Saturday, September 1 and 2, under the auspices of the Presbyterian church. Believing that this meeting will be more helpful than a district institute, the institute that was scheduled for Hales Chapel has been called off until next month.

I hope every teacher in the country will attend this Presbyterian Country Life Institute.

J. S. Cline,
Superintendent Pub. Instruction.

DEUTCHLAND HOME.

Recent newspaper reports are that the German submarine merchant vessel, the Deutschland, that left Baltimore some days ago, has safely reached home. The Bremen, a sister vessel, is expected to arrive at New London, Conn., soon.

RISE IN PRICES

Greatest Ever Known Because of Greatest War Ever Known.

Two big struggles seem to be going on in the world—the clash of armies and the clash of prices. The result of the first struggle is to kill off men, and the result of the second struggle is to kill off old standards of value—to speed prices beyond anything ever known in the world before.

It will be remembered that before the Civil War the level of prices was something like 100 per cent. lower than the permanent level achieved by prices after the war.

Laborers were plentiful at as low as 50 cents a day, and food and materials were in proportion.

War never fails to boost prices, and the greater the war the greater the boost. This being the world's greatest war, this present boost is absolutely unprecedented.

The entire working world is in a position to worry over materials and production, with only a passing thought about selling.

It is no longer a question of disposal of output, but of securing materials, labor, and equipment; and adjusting to price conditions.

In such a situation only one result is sure—that prices will continue to mount until the great suction of demand is reduced.

The demand is twisted and tangled—that is one great difficulty. There is now terrific, unlimited drain on certain chemicals, for instance. No amount of clever salesmanship could have sold more than usual three years ago, but today they are almost literally worth their weight in gold. Luxuries, too, paradoxical as it may seem, are going upward in price because of increased demand, even in Berlin, the beleaguered!

It is authoritatively reported that more women are wearing silk in Germany than ever before; and at a recent sale some old paintings brought record prices. As for pearls of certain high grades—they have simply ceased to exist everywhere! They are not any more to be had at any price!—From "The Skyward Career of All Price," by J. George Frederick, in the American Review of Reviews.

ORDINANCE NO. 42.

An ordinance to preserve the health of the residents of Crossville; to declare certain things nuisances, to prevent the continuance thereof, to provide for the abatement or removal thereof, and provide punishment for maintaining same.

Be it ordained by the Board of Mayor and Aldermen of Crossville, Tennessee, as follows:

Section 1.

That there is hereby created and established a board of health for Crossville, to be denominated "The Board of Health of Crossville."

Section 2.

That said Board of Health shall consist of three members, one of whom shall be the Mayor of Crossville, another the Marshal of Crossville, and the third a reputable practicing physician, who is a resident of Crossville, this third member to be elected by the Board of Mayor and Aldermen of Crossville, who shall fix his compensation by either resolution or ordinance previous to his election.

The Mayor and Marshal shall receive no compensation for their services on said Board other than that now received by them for their services as such Mayor and Marshal.

Section 3.

The members of said Board of Health shall hold their offices, for and during the same period of time as that of the Board of Mayor and Aldermen which elects them, and all vacancies in said Board of Health shall be filled at the first regular meeting of the Board of Mayor and Aldermen, or as soon thereafter as practicable.

Section 4.

The Mayor shall be president of said Board of Health; the physician the secretary of said Board, and the Marshal shall execute all notices or processes issued by said Board.

Section 5.

The Board shall meet monthly at such time and place as they shall elect, and at such other times and places as they may deem expedient.

Section 6.

The said Board of Health shall have general supervision of the interests of health and life of the citizens and residents of the municipality of Crossville, make sanitary investigations and ascertain, if possible, the causes of disease within the corporate limits.

Section 7.

The said Board of Health shall have the power to declare quarantine whenever, in their judgement, the welfare of the citizens of Crossville demand it; and to prescribe such rules and regulations as they may deem proper for the prevention of epidemic, contagious or infectious diseases in Crossville.

Section 8.

Any person who shall willfully disregard or evade such quarantine as said

Board of Health may declare in conformity with the provisions hereof, or violate any of the said rules or regulations provided for in Section 7 hereof, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than two nor more than fifty dollars.

Be it further ordained as follows:

Section 9.

That it shall be unlawful for the owner or owners of any real property situated in Crossville, or other persons having control of such property, to maintain, or permit to be maintained after notice thereof, therein or thereon, in a filthy or unsanitary condition, a cattle-pen, hog-pen, or stock-pen, or any basin or pond in which filth or refuse accumulates, or to dump, throw or place thereon any garbage, filth, trash, or refuse in such location as to be a menace to the health of the citizens in that vicinity, or to maintain their property in such condition that the noxious odors, gases or vapors therefrom escape onto the premises of the neighboring land-owner or owners, or the tenant of such owner or owners, and the maintenance of any of the foregoing things in the place and manner as herein set out is hereby declared a nuisance.

Section 10.

That the maintenance of a nuisance as set out in section 9 hereof is hereby declared to be a misdemeanor, and it shall be the duty of the said Board of Health, or any member or members thereof, and they each of them are hereby vested with full power and authority so to do, to enter upon the premises of any person or persons in Crossville for the purpose of inspecting the same, and if said Board, or any member thereof, shall find any person or persons violating the provisions of section 9 hereof, the said Board shall issue a notice in writing to such person or persons to abate or remove such nuisance, the original of such notice with the officer's return showing service to be returned to said Board.

Section 11.

That any person or persons failing or refusing to abate or remove any nuisance as provided in section 9 hereof, within five days after the service of process as herein provided, shall be deemed guilty of a misdemeanor, and it shall be the duty of the Marshal to procure the issuance of a warrant for the arrest of such person or persons, who shall be tried as others charged with misdemeanors in said corporation, and upon conviction, shall be fined not less than two nor more than fifty dollars.

BE IT FURTHER ORDAINED BY THE BOARD OF MAYOR AND ALDERMEN:

Section 12.

That in addition to the remedy hereinbefore provided, upon the conviction of the owner or owners of such property of the offense of maintaining a nuisance as described in this ordinance or in Ordinance No. 24 of Crossville, the recorder may order the abatement or removal of such nuisance so maintained at the expense of such owner or owners found guilty of maintaining such nuisance, and the costs of the abatement or removal of such nuisance shall be and constitute a lien upon the property on which the nuisance is so maintained, and that it shall be the duty of the recorder to issue to the Marshal process directing him to abate or remove, or cause same to be done, the said nuisance, and said Marshal will return said order or process to said recorder, with his return thereon, showing compliance therewith, together with the costs of such abatement or removal, and the lien herein provided for, which shall be the costs of the removal of such nuisance, shall be enforced in the court of the recorder of Crossville in like manner as mechanic's liens are enforced in the courts of the justices of the peace of this State.

Section 13.

That, in case of property owned by non-residents coming within the provisions hereof, service of process shall be had on them by attachment of their property and publication in like manner as jurisdiction is obtained in the courts of the justices of the peace in this State, and upon the recorder adjudging said non-resident guilty of violating any of the provisions hereof, against the maintenance of a nuisance he shall issue an order for the abatement or removal of same as provided in section 12, hereof.

Section 14.

Be it further ordained that all ordinances and parts of ordinances in conflict herewith, are hereby repealed; and that this ordinance take effect from and after its passage and publication, the public welfare requiring it.

Approved Aug. 18, 1916.

Jos. B. Johnson,
Mayor.

O. B. Rector,
Recorder.

Aug. 4, passed first reading.
Aug. 15, passed second reading.
Aug. 18, passed third and final reading.
